Cagayan State University

Region 3- **Ms. April Joy Albior**  
Regional Science High School

Baguio- **Ms. Criselda Libatique**  
UP Baguio

Sir:

The Mathematical Society of the Philippines - CAR, Region 1 & 2 Chapter in cooperation with Urdaneta City University will hold a **National Research Colloquium in Mathematics and Mathematics Education on November 16 - 18, 2017** at Urdaneta City University, Urdaneta City.

The role of research in national development is unprecedented. Research in education is highly crucial and significant. Hence, conducting a research in an educational setting should be an important aspect of every educator's professional life. Thus, as part of the country's largest professional organization, MSP - CAR, Regions 1 & 2 Chapter is actively dedicated in the promotion of Mathematics and Mathematics Education in the chapter including research.

This research colloquium will equip Mathematics Educators with recent strategies and statistical analyses in conducting research in Mathematics and Mathematics Education. Moreover, participants will have the opportunity to have **Poster Presentations** of their pre-screened research works. In this colloquium, some topics in mathematics needed in conducting mathematics research will also be discussed. These include topics in Mathematics Investigation, Number Theory, and Geometry.

To achieve this goal, we have invited intellectual giants in the field of Mathematics. The Plenary Speaker is **Dr. Eden Delight Provide Miru** from *Ateneo De Manila University*. Moreover, the Resource Speakers are **Dr. Ian Garces**, also from *Ateneo De Manila University* and **Dr. Jerico B. Bacani** from *University of the Philippines Baguio*.

A registration fee of P3,300 for MSP members and P3,600 for non - MSP members will be charged per participant. However, participants can avail of the early bird registration of P3,000 for MSP members and P3,300 for non - MSP members if they pre-register on or before October 31, 2017. The registration fee will defray expenses for the seminar kit, flash drive, certificate, snacks, lunch, and other miscellaneous expenses. The deadline of submission of researches for poster presentation will be on October 31, 2017. Approved poster presenters will have to pay an additional amount of 500 pesos for the tarpaulin printing.

May we request your endorsement of this academic activity?  
Thank you very much madam. More power and God bless.

Respectfully yours,

**ORCENE D. CANCINO**, Ph. D.  
*President*

*MSP CAR, Regions 1 & 2 Chapter*

To: All School Administrators, Principals & Teachers in-charge  
(Elementary & Secondary)
